Thought for the week

‘As we prepare to move into Holy Week, the transition point this week is a focus on resurrection. God’s people are given a vision of resurrection through Ezekiel....

John’s Gospel describes the raising of Lazarus, and demonstrates that Jesus is the one in whom life and resurrection are found. So, as we prepare our hearts for the coming journey through Jesus’ passion, we are reminded in advance that death does not have the last word, and that resurrection is promised and experienced in the midst of pain, threat and death.’
