MCC's Seek program is a Christian discipleship program in Phnom Penh, Cambodia for young adults ages 18-20 that runs from January to June every year. All assignment-related costs are covered for this unique opportunity to live in community, dig deep into the word of God, and explore the richness of Cambodian culture. **Applications are open until August 3.** Learn more at: mcc.org/seek

- 5) **INCERT: Risk Taking and New Wine in New Wine Skins - Ingrid Thiessen:** Many of our bible stories talk about people who took risks. Early adopters are such people. This inCERT tells of a few climate related early adopter stories including a link to the CBC program "What on Earth" which looks at fertilizer alternatives. Doyle Wiebe, a member of the Mennonite church, is trying one of those fertilizer options.
