Creation Care Prayers

God of creation and Lord of life, you entrusted us to care for our environment, but in many parts of the world we have failed. Help us to realize how fragile and unstable our surroundings are, because we are not looking after creation. We need to be true stewards and to understand how the most insignificant little flowers, and the tiniest insects, each creature and individual people are all part of a wondrous whole. Amen
 (Margaret Pickford 2018 Women’s World Day of Prayer)
