94 Calls to Action were prepared following the Truth and Reconciliation Commission hearings. Let's use these summary statements to inform our prayers and actions. (Complete list Truth and Reconciliation Commission of Canada: [Calls to Action](#).)

Reconciliation- National Council for Reconciliation

55. We call upon all levels of government to provide annual reports or any current data requested by the National Council for Reconciliation so that it can report on the progress towards reconciliation.

56. We call upon the prime minister of Canada to formally respond to the report of the National Council for Reconciliation by issuing an annual "State of Aboriginal Peoples" report, which would outline the government's plans for advancing the cause of reconciliation.
