Call the church office if you would like one delivered to you. A zoom link for the meeting will be sent out this week. If you'd like to join the few that will be taking part by zoom in the church building, please contact me or the church office. MRMC COVID updates: We continue to look at the opportunities that the pandemic provides and not focus on the restrictions. For instance, Thank you Worship Ministries for keeping us connected through on-line services and in-person when available. Missions and Service Ministry has been actively raising funds for a potato peeler for the Friendship Inn, a need they didn't realize they had until the Pandemic. Sunday School has begun again – on-line – with great success! And we are blessed to have Spiritual Care volunteers who check in on us. Please remember the benevolent fund that they oversee when you learn that someone is struggling financially.

Some programs that needed to discontinue: Choir, Ukulele, Forever in Motion and Pickle ball. Even though you cannot meet to learn a skill, sing, or stay active, find a way to continue on your own.

YouTube.com is not only a great platform for our worship services, but try these ideas:

- Search a song and add “karaoke”: Then sing along (yes there are worship songs as well)
- Search a song, and add Ukulele, Key of D: Sing and play along.
- Search walk a mile: Then walk in your living room.
- After you've watched the MRMC service, YouTube will probably take you to another worship service or music. (And no, I don't work for YouTube, but I do find it pretty helpful to keep me motivated when I'm staying safe)

Tell us what new activities or ideas you have for keeping busy by contacting the church office.
Stay safe and well, Rita H
