

Mount Royal Mennonite Church
COVID protocols for in-person worship
& a Livestream option

Our 10:00 am Sunday morning worship services are available *in person* and are also *live streamed* on our church's YouTube Channel. Recordings of the services are also available to be viewed later at the same link (below).

If you wish to attend the worship service in person,

- please ensure that you are vaccinated to the extent that it is available to you
- please follow careful physical distancing procedures
- wear a medically approved or equivalent mask,
- use hand sanitizer
- when entering and exiting the building go directly to and from the sanctuary,
- visit outside,
- and, of course if you have symptoms or a known exposure stay at home and take care of yourself.

All of us everywhere are on this journey without a map. If we continue to think of the needs of those around us and each, in our own way, look after those, with God's help, we can journey on.

A Zoom visiting time will also open immediately following the live stream of the service. The invitation for that is sent to the congregation in a weekly email.
