

Recognizing that not all people are at the same place in their precautions regarding COVID, we ask that everyone be considerate of others.

- If you feel more comfortable wearing a mask in public settings, feel free to wear one.
- If you are comfortable without a mask in public, you are welcome without a mask.
- In any case, mask, or no mask;
 - If you have flu-like symptoms, please join the worship service live from home or watch the recording later.
 - If you have tested positive for COVID or suspect that you may have COVID, please refrain from attending worship in person until 48 hours after symptoms have ended.
 - Honor the choice of everyone worshipping with us.
