

BANANA MUFFINS

Dorothy Rempel

We always seem to have leftover too-ripe bananas, so they go into my Mom's recipe. I tweaked this one to make a less sweet muffin. I make this one often, so will forward photo next time I make them! (*Mom Neumann*)

1/4 cup white sugar

1/2 cup margarine

2 eggs

4 tbsps sour milk (I use buttermilk if I have it on-hand or in the freezer)

1 cup mashed banana (2)

1 tsp vanilla

1 tsp soda

1 tsp b powder

1/4 cup ground flax

1 3/4 cup flour

Cream butter, sugar til fluffy

Add eggs and banana

Add sifted ingredients alternately with milk

Bake 20 minutes at 350
