

Luke: 26 Studies for Individuals and Groups

Luke was an educated and cultured man, the first real historian to write about Jesus. He places Jesus at the heart of the first-century Jewish and Roman worlds into which the Christian gospel exploded. What Jesus said, what he did and what happened to him has changed the course of history. In these twenty-six studies is the opportunity to delve into the message that Luke wanted to pass on as clearly and accurately as possible.
